## WHITE WINE

### 2023 Rose (Melba Block)

Our 2023 Rosé is hand crafted using Shiraz grapes from our Melba Block. First year made using Shiraz, this rosé displays elegance. Strawberry and guava notes are obvious, whilst the mid palate is generous. Perfect for any afternoon gathering - fromage & charcuterie

### 2023 Viognier Marsanne (Field Blend)

Our 2023 Viognier Marsanne displays fragrant aromas of tropical fruits. The palate is clean and crisp, highlighting pear and rock melon. Elegant with a lingering finish.

### 2021 Chardonnay (Home Block)

2021 saw cooler and wet conditions. Despite the high disease pressure in the vineyard, the Chardonnay fruit was extremely clean and of high quality, but bunch size down by 40% contributing to more elegant fruit profile. Similar to the 2020 vintage, the nose displays soft melon tones with a smooth and lingering finish. 75% Malolactic fermentation and 8 months in French oak. This is our first Chardonnay using our vacuum press, resulting in increased aromatics and overall a more elegant approach.

## RED WINE

### 2021 Pinot Noir (Melba Block)\*

Comprising of 3 different clones, our Melba Block Pinot is traditional of the Yarra Valley Floor. Opening with bright red cherries and wild strawberries, there is elegance and supported by a long and memorable finish.

### 2021 Pinot Noir (Home Block)

2021 was an idyllic season for our cool-climate Pinot Noir. Ripe red cherries and wild strawberries are prominent on the nose and palate, with a trailing subtle forest floor finish. Delicate tannin and long finish

### 2020 Souzao (Nagambie)

The initial nose is very representative of the Iberian varieties with a savory and slightly spicy richness about it. Although fully fermented with no residual sugars, the strong fruit characters deliver perceived sweetness, yet herbaceous. The driving fruit character is strawberry, something not often found in “bigger” reds, followed by some lovely softer blackberry notes.

### 2019 Graciano (Nagambie)

Graciano is an aromatic red wine grape variety that is prized for the rich colour and flavour it gives. There's a herbaceous characteristic sparking woody/oily herbs on the nose and palate such as thyme or rosemary.

### 2019 Cabernet Sauvignon (Nagambie)

This year blackberry is the ruler of the roost, from nose all the way through the palette. Although, there is some lovely raspberry lingering, especially through the mid palette. Rich in flavour, with beautiful deep colours, this wine has the look, smell and taste all in alignment and leaves you wanting more.

### 2019 Shiraz (Melba Block)

This excellent cool climate 'syrah style' wine, is highly aromatic and is set to enhance any evening or dinner party. Gorgeous deep plum and dark cherries are displayed, stylistically fruit driven with lovely soft tannin. Pairs beautifully with barbecued lamb or rich dark chocolate for dessert.

## FORTIFIED WINE

### 2010 Vintage Port (Rutherglen) \*

A rich, fruity, complex style of vintage port. Mouth filling wine with hints of sultanas, liquorice, chocolate and coffee.

### Muscat (Glenrowen) \*

With everything we love in a Christmas pudding recipe, there are so many stunning elements to this wine. As it opens up, there's cinnamon, brown sugar, orange rind and ginger – all you need is the hidden threepence and you are set.

## SPARKLING

### 2018 Blanc de Blancs (Home Block)

The wet December, followed by a hot summer made for some beautiful fruit complexity and natural acidity. 100% hand picked Chardonnay on 18 February 2018. Delightfully fresh, with notes of citrus on the palate. Method-Traditionnelle

### 2017 Blanc de Blancs (Home Block)

Our cool, sheltered vineyard with its 1980's planted dry-grown vines coped extremely well, giving us an amazing sparkling that displays a crisp dry, creamy textured, fine-bead & lingering beeswax finish.

## WHITE WINE

### 2021 Atkins-Davis Single Barrel Chardonnay

Owners/ Vignerons son Sebastian has been making a barrel of wine since the age of 8. In year 3 of making wine, Sebastian wanted to understand the key differences between making red and white wine.

This single barrel Home Block chardonnay displays white stone fruits and citrus. It is complex and lingers on the back palate. Pairs perfectly with shark bay blue swimmer crab & scallops

### 2020 Chardonnay (Home Block)

The nose displays soft melon and mineral tones. Citrus characters when fridge temperature, but once warmed to the recommended 10-12 degrees, this wine delivers lychee and guava, with the citrus remaining as a more subtle background character. On the mid palate, there is a slight tart minerality, yet balanced by the softness from the malolactic fermentation. Using only French oak with approximately 20% new, there is a lovely woody influence that does not overpower the fresh fruit characters, but rather helps balance into a lovely easy drinking Chardonnay.

### 2019 Chardonnay (Melba Block)

Our 2019 Chardonnay is reflective of the hot and dry season. A more textural wine compared to the previous year, displays notes of tropical fruits and melon.

### 2019 Single Barrel Chardonnay (Melba Block)

First impressions are wow! Our Chardonnay has a gorgeous palette and a beautiful soft finish that lingers. The front palette receives a lovely honeycomb, with soft citrus and pineapple.

### 2018 Chardonnay (Melba Block)

The 2018 Chardonnay displays notes of citrus and stone fruit. Not overpowered by oak or malo, this Chardonnay exhibits elegant fruit such as melon, pineapple & citrus. It's soft and refined, this well balanced Chardonnay is perfect for all occasions.

## RED WINE

### 2020 Pinot Noir (Home Block)

Our Pinot Noir from our home block has all the usual cherry and strawberry characteristics (reminiscent of our 2017 Pinot Noir), forest floor complexity, yet far more delicate.

### 2020 Atkins-Davis Single Barrel Cabernet-Shiraz

This single barrel Melba Block co-fermented Cabernet and Shiraz (8%) is medium bodied in weight. Displays notes of blackcurrants and cedar, with gentle tannin and a savoury finish.

### 2019 Atkins-Davis Single Barrel Merlot

Nicknamed "Smerlot", this medium-bodied wine, displays black fruits and tobacco. Rich in tannin and good acidity ensures this wine will age gracefully over the next 10+ years.

### 2019 Single Barrel Pinot Noir (Home Block)

this Pinot has that aroma you just want to keep taking in and enjoying, with the initial taste being exquisite. Dark cherries rule the roost with an oaky softness that helps round the earthy characters that are so predominant in the Home Block Pinot Noir fruits DNA.

### 2019 Single Barrel Pinot Noir (Melba Block)

Similar to the Single Barrel Home Block Pinot Noir, the Melba Block Pinot is more Shiraz like in colour than Pinot. The nose displays bright cherry fruit characters, with the French oak integrating beautifully.

Silky elegance with a fine tannin structure makes this a wine to be enjoyed alone or paired beautifully with foods ranging from pastas, duck all the way through to red meats.

### 2019 Pinot Noir (Estate Blend)

This wine demonstrates a vibrant nose of black cherries and strawberries,. The palate is delicate and fine with an exotic array of red and black fruits intermixed

### 2018 Cabernet Sauvignon (Nagambie)

Stunning dark purple colour lives up to expectation with well-rounded dark cherries, blackberry and mulberry filling the palate.

### 2018 Cabernets (Melba Block)

This medium bodied Cabernet blend (19% Cabernet Franc) displays bright classic flavours of dark cherries and plum, with an undertone of mandarin. Gorgeous cassis with hints of cedar on the nose, this estate blend has vibrant acidity and will reward with careful cellaring.

### 2018 Shiraz (Melba Block)

This wine is highly aromatic and is set to enhance any evening or dinner party. Gorgeous deep plum and dark cherries are displayed, stylistically fruit driven with lovely soft tannin.
